## GAZETTE

BOY LOUD!

### 2ND C.R.D.H.F.C. AWARDS!!!

I've had a number of people tell me that they've been impressed by who I am and things that I do. They remark about how they wish that they had the "guts" that I do and about how "strong-minded" I am. I have trouble with such compliments, though they certainly are appreciated.

See, there's a precious thin

line between courage and stupidity. Often times when I get myself into trouble, I know the potential punishing consequences, but I still decide to follow through with my actions—that's probably much more stupid than anything else.

However, what's even worse is when I don't think about the consequences at all. I have a tendency to act on impulse, and while it may provide a brief act of Pat Hu amuse-

ment, in the long run effects can prove and have been harmful to other's feelings, myself, etc. Sigh! Just think before you act. It's certainly easier said than done.

### FAN CLUB NEWS

#### T-SHIRTS

• If all goes well—and if we do not continue to be too inept—CRDHFC T-shirts should be out along w/this issue of the Gazette. •

#### VOTE!

Don't forget: the elections are coming up. That's right! Place your vote in the 2nd Annual CRDHFC Awards. Don't go thru the year w/o voting in the most important elections in the nation. And you need not be 18. • •

**SORRY:** Joseph the Club V.P. requests the merciful forgiveness of one Chris Rutzen, whom Joe hit in an unsavory spot w/a tennis ball. Sorry. • •

**INDEPENDENCE:** Since the Junior Class already has enough \$\$\$, they no longer want our help. So now we're free to do whatever we want w/le T-shirts. Teehee. •

**MAKE SURE ALL YOUR MEMBER-FRIENDS HAVE GAZETTES.** help.

### MEMBER OF THE MONTH:

Chris Rutzen

'Twas a bright day one year and four months ago when Chris Rutzen's Dad's Son—Chris Rutzen himself—was asked to become the Club's 1st M.O.M. Chris's contributions to the Club had been—and have been—indispensable; but modesty (or perhaps embarrassment) got the best of him, and he declined. Now his grandeur has caught up w/him, and his time is come. For President Pat Hu's birthday, Chris bestowed Pat w/a wonderful notebook filled from cover to cover w/Chris Rutzen's Dad's Handwriting. If you see Chris in the halls, tell him "Merry Month, M.O.M." or something. •

Greetings faithful members of the CRDHFC it is I: Guido. Some of you may have thought that I was no longer working for the club. Well, wrong I am very much alive and well and am still after a few of you. The main reason I am writing is that a certain Italian individual has stepped out of line. Otis, Don Geronimo watch it. I DO NOT think you are funny, nor do you amuse me in any way. The offenses I need not tell you, but if Otis does not stop the bad jokes and offensive writing I will get you. What that means, well, wait and see. Finally, about Tyrone; I didn't do it. I have an Alibi for I was playing croquet with Queen Elizabeth.

Guido

p.s. Hey Pat and Joe there seems to be a certain someone who has never been M.O.M and that's ME!!

Pss if any club member has a problem they wanted squeezed, tell Pat and Joe

\*As you know, our hitman Guido is one wild individual. Though he listens when we tell him whom to hit, we don't tell him whom not to hit. So we have placed Otis/don Geronimo in our new Ex-Astrologers Protection Program.

Otis Geronimo is with us no longer. We cannot reveal his whereabouts. We may or may not encounter him again someday, under some new alias.

So long, Otis/don Geronimo. Take care. o

# TONY RECZNIK

presents: → CHRIS RUTZEN & HIS pen OF Preference: The MIRO-ROLLER 5

Anthony Recznik has been a loyal and dedicated member of the C.R.D.H.F.C. since

September of 1994. Though his contributions to the club have been numerous and great, much of his creative genius has gone quite unnoticed. Now, here is Tony's glorious moment in the sun.

ABOVE: T. Recznik displays the magnificent Micro-Roller 5.

BELOW: The dubious quest commences.

For two years now a few privileged students here at Roosevelt high school have been blessed to be members of C.R.D.H.F.C. . Yet only a handful know anything behind the Chris Rutzen in C.R.D.H.F.C. ; or more to the point what kind of writing utensil does he use ? Some of you might be wondering is it anything like his father's pen, or is it something like one of those BIGBOY, rest on your shoulder, hold with two hands, sharpen or give to your pet gerbil Spanky to gnaw on it, HUMANDO, FATMAMMA pencils that everyone had to use in first grade . Well I'm gonna let you in on a little secret , its a (if you didn't read the title) MICRO-ROLLER 5 . Now I'm going to have to take some credit in exposing Chris to the MRS experience ( i was his YODA ) Now imagine an impressionable freshman Chris Rutzen during his first week of high school (the club just a glint in his eye) sitting in homeroom making fun of me being late again . That's where I introduced him to the MRS . we were fascinated by the little balls of wax on their tips used to ensure the freshness of the ink, and the sliding glide of them in our hands . Chris took a liking to them for those very reasons, and he still does till this day . Which brings me to the point of this article (for those of you who are still reading) . Earlier this year Mr. HU and i wondered if Chris's love of the pen was true . So I, after two months, devised a little test in order to judge Chris's loyalty to the pen . We made him write a number of phrases, blindfolded no less, using an assortment of pens . Using 20 (well 12 pens, but we had 20) including 2 MRSs this is what we found .

the Movement will destroy You.

②

#	PEN	What Chris said	our reaction
1.	MRS	NO!	What the hell do you mean NO!?
2.	Fatboy	NO!	Okay
3.	walace	nope	wow
4.	Pilot fontaine	NO	gasp
5.	Plain	nay	super
6.	Green papermate	no	it's green
7.	big red	no	ok
8.	bigger black	no	ok
9.	MICRO-ROLLER 2	nope	damn we're tricky
10.	yet another black	no!	oh-boy
11.	MRS	YES!!!!	WHOOPIE!!!
12.	blue BIC	no	who cares

Wow that was fun .

Madame Athena

Happy belated Easter to all my fans. I have my usual pile of crap horoscopes for all.

Enjoy! favorite types of music:

**PUNK** many people in the club like it, including myself. You will wake up tomorrow and realize that A) Green Day sucks, B) Clapper is God in human form, C) Chris Rutzen's Dad's Handwriting is better than Jesse's.

**RAP** waz up? I'm sorry, but Tyroné doesn't work here anymore. You will realize that you are a loser and that rap is CRAP.

**COUNTRY** I hate it, but at least the musicians have some talent, unlike #2. You will move to Nashville and start your own dip factory.

**ALTERNATIVE** My personal favorite. Ketchup will stain your clothes and you will wash them. When you take them out, they'll be as clean as a whistle. Say hi to Pat Hu and congratulate him on his being an Asian-American.

## ENEMY OF THE MONTH:

Dante Casagrande/the Amazing Otis/don Geronimo Yikes. It seems that once again, Mr. Dante Bighouse has ignited the enmities of our masses of members. Just about one year ago, the Amazing Otis fled the CRDHFC scene. Now, with everyone including Guido after him, this tri-persona, fortune teller has his future in certain doubt.

# WHERE'S TYRONE???

'Sup? This is the Plat man. I was able to hock out a gaggle of secret files for yds. 

NEWCLASSIFIED EVIDENCE:

JAMALLARIKI TAKLUFI ALI

HT: 6'6"

WT: 300 lbs.

EVIDENCE: Allegedly wants to take over Tyrone's column.

ALIBI: "I was in Mecca."

ERIC PASKEY

ALIAS: "The Official Club Left-Handed Guy"

HT: 5'5"

WT: 115 lbs.

EVIDENCE: Has long despised Marco Barco.

A witness saw him hitch-hiking on I-76 on 12 May, 1995.

ALIBI: "I was busy studying for exams."

JOSEPH GRIM FEINBERG

ALIAS: "The Grim..." er, uh, nevermind.

HT: 5'7"

WT: 120 lbs.

EVIDENCE: Accused by suspect B. Parker.

ALIBI: "I was w/ Guido, investigating."

## RECENT INVESTIGATION HAS REVEALED NEW DATA:

- DNA testing has determined that a red hair found @ the scene of the crime is indeed that of one Rosemary Elizabeth Parker. (99.9% accuracy)
- Don Geronimo claims to have seen Guido on I-76 on 12 May, 1996.
- Guido's fingerprints were found on the cool shades and aluminum knuckles left @ the scene of the crime.

So, I's got sum qeshuns for yds:

- What was Beth's hair doin' in the Pod 'N Fedatory?
- What was Guido's own aluminum knuckles n' shades doin' at the scene o' th' crime.
- Does Otis/Geronimo really want justice? or vengeance?
- Why was Taco Bell wrappers all over th' crime scene?

**SAY EVERYTHING** This month we decided to begin accepting anonymous letters revealing the fantastically embarrassing experiences of our more uncouth members. Here is our first confession. Feel free to skip over this if it does not suit you; we merely report that truth reported to us:

My friend and I were skinny-dipping in a secluded area. We left our clothes by a tree. Some hot guys from our school came by and took them. We stayed in the water because we didn't want them to see our ~~totally~~ nakedness. A neighbor called the police, & they forced us to get out of the water and performed a body cavity search. I had started my period the day before, and I was wearing a tampon; but one of the cops said, "Is that a concealed weapon there?" And he pulled the tampon out. I was mortified! They took us to the station and we put on towels. There were these awesome looking skaters there who were arrested for destruction of private property. I was walking by them, and my towel got caught on one of their wallet chains! I was so embarrassed. I pulled my towel back on & started talking to one of them, when suddenly a big sneeze welled up. I couldn't let go of my towel, or it would fall off, and so I ended up spraying snot all over his face. I couldn't believe it! I ran into the bathroom, crying. From then on everyone called me Naked Booger Tampon Woman.

# MAIL-BAG!!

Hey Kate,

you WERE a

M.O.M. Runner-up back in Ish #61 that's worth some thing. Don't get greedy, Kate.

Hi Jessica,  
Oh wowie, geez... (I'm blushing)

Thanks for all the nice compliments! the Almighty Sam Cheung

Dear CRDHFC:

Wu. Hello. You are all cute little boys. Anyway - the point of this letter is to inform you that I enjoyed the Summer issue immensely! Again I was amazed by the layouts and was hooked pink at finding myself in one of the photo's. Bah for you! You are cute! I also don't understand the controversy with the Steve Randall photo! I loved it with all of my heart! Shame on Steve if he was offended! I thought it rocked! But maybe that's just me! Anyway, for anyone who wants to know, Pat Hu is my second favorite Asian, coming in close behind Sam Cheung. In a perfect world, they would be tied for first. But this isn't a perfect world. But Pat Hu still rocks! Hey! Keep on rockin' in the free world!

Sincerely,  
Jessica Sullivan

DEAR PAT + THE CLUB,

I THINK JOE IS RESPONSIBLE FOR THE DISAPPEARANCE OF TYRONE. TWO PICES OF EVIDENCE! HE DIDN'T INCLUDE HIMSELF WITH THE SUSPECTS, ~~AND~~ HE'S JUST TOO DARN NICE! ONLY SOMEONE WITH MANIACAL, BLOODTHIRSTY INTENTIONS COULD BE SO CONGENIAL!

-BETH

mmm... fingers... yummy fingers...

BOOP

Hum... why is little Libby Parker so quick to pass the blame? Who did what to Tyrone? You'll find out next issue...

DEAR PAT (PREZ CRDHFC)

1-25-90

I WOULD SIMPLY LIKE TO VOICE TO YOU MY CONCERNS ABOUT THE CLUB AND NOT COMPLAIN ABOUT THE CENTERFOLD OR WHATEVER. HOWEVER ON THE SUBJECT OF THE CENTERFOLD, I ONLY RESENTED THE IMMENSE SIZE AND ROBIN'S INNOCENT HEAD TO CENSOR A CERTAIN PART OF THE FEMALE ANATOMY. (OR AT LEAST THAT'S HOW IT APPEARED.)

I NOW SEE THE CLUB AS AN EXCITING THING THAT HAS A FEW THINGS IN QUESTION. DANTE, BEING THE PERSON IN QUESTION. IN SAYING THESE THINGS I AM IN NOWAY ASKING TO BE "ENEMY OF THE MONTH." AT ANY RATE, WHEN YOU LET DANTE WRITE AS MANY COLUMNS AS HE WANTS UNDER VARIOUS ALIASES, THERE IS A PROBLEM. PLEASE UNDERSTAND, I'M NOT JUST TALKING ABOUT ME BEING KICKED ON SEVERAL TIMES AN ISSUE EVERY ISSUE. IT'S AIL FUNNY TO A CERTAIN EXTENT. I DO IT TOO BUT DANTE AND A COUPLE OF THE COLUMNS ARE JUST LIKE ELEMENTARY SCHOOL SHIT, LIKE WHEN A KID WOULD SAY - "WAWA HEAR A DIRTY JOKE? A PIG FELL IN THE MUD." THAT IS DANTE'S INTELLIGENCE AT THIS POINT. I'M NOT SAYING THAT I AM SO SOPHISTICATED. HE'S JUST LACKING IN GOOD JUDGEMENT. KEEP THINGS AS THEY USED TO BE, TACTFUL AND SOMEWHAT POLITE, AND THE CLUB WILL BE AS FUNNY AS EVER

THANKS,

STEVEN RANDALL

## DEAR MAILBAG:

I'm writing about an issue that concerns me greatly and affects many lives. I write to inform you of my opinion on Dante's case grade and his infamous letters to the Gazette. Something needs to be done. The letters used to be amusing, but he has now resorted to making lists of people he hates and reasons why. Now, it might just be me, but I find no entertainment value in that whatsoever. It is my opinion that any letter written by Dante that does not have a real purpose or humor quality should be thoroughly soaked in kerosene, put into a blender, set to flip-flop, and lit on fire. The results would be a very fancy spinning flaming pile of consentment (consent?). Just an idea. You also need to make VULG (VULGAR) more.

BRY-LUV

hee hee! P.S. - Velocipede more.

We've been content to print the "bad" news & let the readers decide for themselves and give flak directly to such controversial individuals accordingly. I hope that made sense.
