CHRIS RUTZEN'S DAD SPEAKS!!!

Sometime during this summer, I sat alone at home with seemingly absolutely nothing to do. Naturally, I became overcome with an urge to hand-clean my belly button. So I picked and scratched and scraped away the crusty, grimy, fascinating contents (I'm an innie, so you know there's got to be lots).

About a layer of dead skin

later, my belly button started to really hurt.

What has this got to do with anything, you ask? Well, this experience got me thinking, and I decided that the C.R.D.-H.F.C. ... yeah, we're kind of like the belly button of Kent. We're small and often overlooked, but, I think, we're nice to have around. Also, we don't serve much of a purpose, except to

entertain during times of boredom, piii, people think we're weeeird (when you face the facts, the belly button is an awfully weird body part). And lastly, this year I'm trying my best to keep both in good condition.

FAN CLUB NEWS

MEMBER of the, uh... Bi-MONTH! (?)

The news this month is that we have decided to produce Gazettes bi-monthly for the '95-'96 fan club year. This means that, technically, all the M.A.M.s, E.Q.M.s, & L.O.M.s will really be M.O.B.M.s, E.O.B.M.s, etc. So, to avoid needless confusion and idiocy, (We've got enough already.) when we say "month," think "bi-month." Aicrag Irv.

DON'T WORRY! Because we're going bi-monthly, we'll be able to put more time into the Gazette, and, hopefully, get them out on time more often. If we feel like it, we may even have some special, off-month, issues.

HELP! We're getting tired of all this stuff. Anyone who would like to aid in this worthy cause should speak with Pat, Joe, or Brad the Speaker.

COMPILATION! We still want to put out a CRDHC Soundtrack. Give us original recordings by **NOVEMBER 15.**

MEMBER COUNT: 353 (+/-)

HEY! If you're reading the Gazette of someone else, find Pat, Joe, or Brad & get your very own copy.

MEMBER of the MONTH: Justin Thomas

We were sitting around trying to figure out who could possibly be worthy of the nomination as the season's 1st M.O.M., when Justin Thomas made his presence known once again. Not only has he been a loyal and generous friend and member of the Club since beginning, (earning him M.O.M. in January this year) but he just recently orchestrated the fabrication of the 1st ever Official CRDHC Necktie—a beautiful white tie with CRD's H written all over it. This makes Justin the 1st ever 2-time M.O.M. in the history of the CRDHC. Below are all his deep, dark secrets.

MEMBER PROFILE:

- NEW FAVORITE LETTER & WORD: E-like G (capital): **RAEED**
- FAVORITE TYPE OF BAGEL: Lender's onion
- FAVORITE THING TO DO WITH BAGELS: put them over my eyes & pretend they're glasses
- HOW I FEEL BEING THE 1st EVER 2-TIME M.O.M.: ecstatic; it's the coolest thing in the world.
- FAVORITE TIME I WAS M.O.M.: the 2nd time
- FAVORITE COLOR OF INK: green
- FAVORITE KEY: Dm
- FAVORITE HAIRSTYLE: mohawk
- WOULD I CONSIDER NAMING A CHILD OF MINE "THOMAS"? : yes
- FAVORITE FOOD: R:b-Q
- FAVORITE A-TEAM CHARACTER: Murdock
- LEAST FAVORITE HANGOUT SPOT: Davey Middle School
- AM I EVER GOING TO PLAY HOCKEY WITH JON CRAIG? : yes

CHRIS RUTZEN'S DAD: God, Only Younger

In an exclusive, two-part interview with the Gazette, handwriting extraordinaire/record store owner Chuck Rutzen talks Darwinism, explains his past, and talks why the E-like G is gone. by Pat & Joe

OK. I realize this is a dumb question - it's like asking Michelangelo, "How do you sculpt so well?" but I'll ask it anyway: How do you write so cool?"

I HAD MICHELANGELO'S HAND DRAFTED ON TO ME ABOUT 5 YEARS AGO.

Neat. So is there a favorite type of pen that brings your best "performance"?

HANDS DOWN THE BEST PEN FOR THIS SORT OF DELICATE WORK IS THE KINKO'S 99¢ BLACK OR BLUE MEDIUM POINT - IT MUST BE THE ADVERTISING ON THE SIDE.

Yeah, that's a mighty fine pen. Now, describe to the world your handwriting. IMPOSSIBLE. IT'S LIKE TRYING TO DESCRIBE A JACKSON POLLACK PAINTING.

All right, all right. Do you have a favorite letter that you write? Is there ever a time when you think to yourself, "Damn, my handwriting looks good."? NO.

Let's talk Darwinism. Imagine a society where "survival of the fittest" handwriting takes play. Somewhere down the line all the "weak" handwriting gets weeded out of existence and everybody's handwriting is as cool as yours. Expand on this. Would you be one to favor this as a utopia, or defend the "little people" against such an apocalypse?

IF WE'RE GOING TO MOVE THE SURVIVAL OF THE FITTEST AWAY FROM THOSE THAT ARE SIMPLY STRONGER OR SMARTER, I THINK WE SHOULD BASE IT ON REALLY IMPORTANT TRAITS LIKE WHAT KIND OF MUSIC A PERSON LIKES OR HOW BAGGY THEIR PANTS ARE. HANDWRITING IS SO SUPERFICIAL.

Wow, that's deep. So... uh, how's business? BUSINESS AT HEARTBEAT IS FINE. Do people still use the 1% discount? LUCKILY, NOT MANY CRDHC MEMBERS USE THEIR

DISCOUNT, ALLOWING ME TO LEAD MY CURRENT EXCESSIVE + DECADENT LIFESTYLE.

Heh heh. Um, do you have any handwriting influences? Not necessarily other people's handwriting, but maybe music or scenery or anything. EXPEDIENCE IS MY ONLY INFLUENCE.

Do you remember your handwriting as a child being "cool"? You may recall from Issue #7 the subject of your handwriting grades and they weren't so hot. What was up with that?

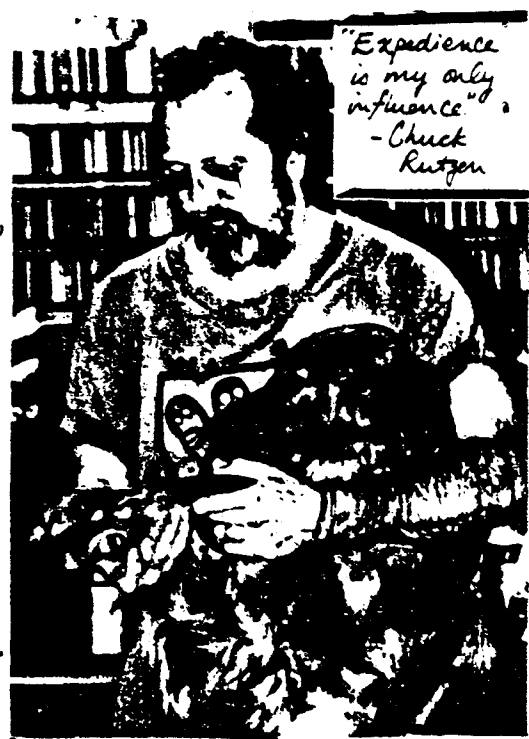

ALL MY HANDWRITING TROUBLES BEGAN WITH MY TRANSFER FROM A SCHOOL IN THE SOUTH THAT WAS BARELY TEACHING ME TO PRINT TO A SCHOOL IN THE NORTH WHERE EVERYONE WAS ALREADY DOING CURSIVE. I NEVER CAUGHT UP + THE GRADES I GOT WERE DEAD ACCURATE. OH, WHAT A SAD TALE OF WOE.

H-heh, that rhymed! Boy, if those teachers could see you now... OK, the next subject is still a rather hot topic: Explain the E-like G phenomenon.

O KAY LOOK, E - CENTER BAR CONNECTS. IT WAS A STYLISTIC FIASCO LIKE, NEHRU
E - " " DOES NOT. COATS, PAISLEY SHIRTS AND THE EDSEL.

How do you respond to Emily Sullivan's statement, "Chris Rutzen's Dad is CUTE!!!"?
HEY, I DON'T KNOW EMILY SULLIVAN BY NAME, BUT SHE'S OBVIOUSLY A VERY PERCEPTIVE PERSON. Damn, this guy's smooth.

CHRIS RUTZEN'S DAD: God, Only Younger will continue next issue.

"Expedience is my only influence."
- Chuck Rutzen

How to Kill the Characters on Thunder Alley part 1 - The Old Man

A limo pulls up, you slip the guy a hundred. As the limo screeches off, the old man in his expensive clothes (plaid and such) and expensive cigar staggers around (being excessively drunk). He mutters something like, "What the f--k" or "Boy's crazy". He tries to display his father-like charm. This is when you swing your bat... connecting right above his eyes, he falls to the ground, screaming. You can make out no real words, so you just laugh (it sounds like Hindu or Japanese).

He tries to crawl away, blood flowing from his head considerably greatly. You swing again, this time to his ribs. You hear a satisfying **CRACK!** as three or four are broken. But you tire of this game... You walk around his head as he begs and cries for his life. You wait for pity or sympathy or any emotion to stop you, but it doesn't. You swing again and again, blood staining your clothes in big bloody chunks. Then you walk away... a triumphant baseball hero.

Once again, EBEN SCHOONOVER brings you...

CLUB TRIVIA Test your knowledge of the unimportant and generally useless little-known facts of the Club

Q: The name of which CRDHFC official appears on the Vietnam Memorial in Washington, D.C.?

A: Either go to Washington, ask around or check in next issue.

LAST ISSUE'S TRIVIA:

Q: How are you?

A: Obviously, most definitely, you are related, due to the fact that you are presently engaged in a magnificent publication.

The G Files

by aged flying squirrel and his shamefully unfaithful partner, Scabbie, devoted to the pursuit of the CRDHFC's notorious hitman, Guido, operating under the alias Guido.

Today I would like to introduce a new policy to the club, a little dohickey we like to call SQUEAL ON A FRIEND! Exciting, isn't it? The way it works is- if you know Guido, you contact a member of the Sensual Intelligence Agency, and reveal to him or her the identity of the hitman! Simple, when you think about it! Aaaaand, if you find the right guy, we'll spare you from taking the butt texture test, which we plan to exercise on those who lie to us! The exact details of this test are to gruesome to be printed, except to say that it involves latex gloves, a ping pong paddle, and a very slobbery sheepdog. (And in no way will I ever be present during such a test.)

The following is a paid advertisement. (Complete and give to your local CRDHFC office to get a free sample of the product.)

Do you have butt texture like mashed potatoes? If you do, this abnormal skin condition can be altered in time easy steps with the CRDHFC's new butt skin treatment program. The exact details of the program are to gruesome to detail here, except to say that it involves latex gloves, a ping pong paddle, and a very slobbery sheepdog! Once you have filled out this form, tear it off and send it to your local CRDHFC office to get a free sample of our revolutionary new butt treatment program. Also, if you know anyone who is unwilling to come forward with his problem, fill out the form and turn him in because if you don't, who will? (Paid for the S.I.A. taskforce by Scabbie and Guido.)

Okay, today we have for you a list of everything we know about the famed hitman.

1. Immigrated from Cuba at the age of three, although his parents may have been from Burma, Thailand, or Central Europe.
2. Was once employed by President Nixon for the purposes of robbing a suite at the Watergate Hotel.
3. Led a platoon during the Bay of Pigs invasion into Cuba. Was the only soldier from his regiment to survive.
4. Was spotted on the grassy knoll three minutes previous to Kennedy's assassination, and was reportedly carrying a long black stick and a jumbo size tube of Preparation H.
5. In 1984 he was contracted illegally by Canadian Royal Mounties to intercept Heroin shipments in intercity Cleveland. He received extensive plastic surgery to blend in better with the locals.
6. When the Regan administration ended he was cut off from his superiors to Bush a termination of the Just Say No To Drugs phrase coined by Nancy Reagan. All contact with the hitman ceased for six years, until he showed up in Kent Roosevelt High School with yet more plastic surgery and possibly a sex change job done for penitential reasons. He is now the official strong arm of the CRDHFC.

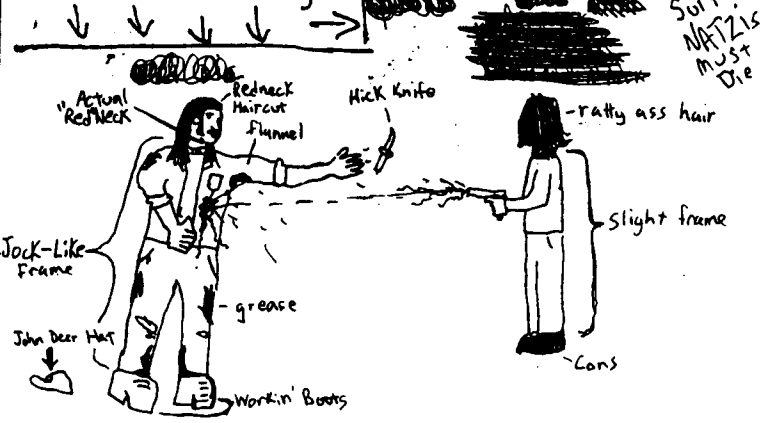

REMEMBER, IT IS YOUR DUTY TO TURN THIS FEIND IN! IF YOU DON'T, WHO WILL!

Madame Athena returns as herself.

Welcome back to school, all of my loyal fans (some of you might not remember me, since I've only written one article). But enough of me, on with the horoscopes. We'll go by your favorite class.

SCIENCE- If you have chemistry, create a potion to kill Dante - I mean "Otis". Your science teacher will be good this year, especially freshmen.

ENGLISH- Write a rhyme about Otis. Example: "I saw Otis walking down the street, so I blew off his head - he fell to his feet." Send it to me to publish. Dig through the trash on a regular basis because Someday you will find something of value.

SOCIAL STUDIES- Think back to medieval times and their methods of punishment. Then try it on Otis the next time you see him. There are only 180 days left of school, so make 'em count.

MATH- Add up every single way you could kill Otis, divide by 1,000,000, and that number should equal Albert Einstein's I.Q. I am almost out of space but I don't think anyone likes math anyway! Chow for now - but...

... You are getting very sleepy... your eyelids are getting very heavy... You are asleep with one thought... **KILL OTIS!!**

THE ADVENTURES OF

DAG

BY BRADY KRAMER with SPECIAL ENDING BY BRYAN PARKER

After speeding away from the rubble that had been the planet Alexia, DAG stopped for a drink at Smilin' Zegword's Tavern. As he turned a corner, it occurred to him that there was a bullet in his chest. He stopped moving.

the RANDALL CENTER

So...what's interesting about Steve Randall? Um...well, uh...let's see...

- He does a mean 'Coach Kim' impression.
- He's got all the moves in Renegade.
- He's got one nice ass. (see Issue No. 5, Vol. 1!)
- Herr Engemann liked seeing him in a bathing suit.
- He's best friends with Chris Senz.
- He sees with the Eye of Giza.
- He's the man of 2 first names.
- He says Pat looks like Aunt Janima when he wears a bandana. And...
- He beat up Chris Graves in 6th grade.

H-h-hey there, Randall!

Damn, I'm smooth.

ENEMY OF THE MONTH!

Nathan Reyes

Aaah... Sr. Reyes, the ever-imposing thorn in the C.R.D.H.F.C.'s side. This summer I was at a soccer game when out of nowhere, Nathan shoved me to the cold, hard ground. But then, then...THEN, he KISSED my hand, that bastard. As I lay helplessly on the cement, praying for Guido, Nathan stood towering over me and yelled these harsh words.

"Who does Pat think he is?! He's a big, fat loser!! And he's CHINESE!! I'm gonna put an end to this club by assassinating all the officers!! Join the Enemies of the Chris Rutzen's Dad's Handwriting Fan Club Club and get a discount at any John Deere retailer!! Grrr!!"

Because Guido is out searching for Tyrone, the C.R.D.H.F.C. has implemented a strike team of "screaming" ninja assassins to take out Reyes.

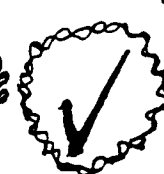

Here it is, the C.R.D.H.F.C. tie, courtesy of Justin Thomas and CRD! It was given to me by Justin this summer as a very belated birthday present, and was well worth the wait.

Dear Madam Athena,
You are sorry. I was 3x the astrologer as you are. I can kick your ass. I will make a come back next year. For those of you who make me. I will regain your trust and respect. And as god as my witness, I will find Tyron. We was home, I'll be back.

Ps - chick don't suck anyone!

Otis

Christine,

Now, I hope you had a good time in Pittsburg. Thanks for the postcard, but did you HAVE to say "PEACE OUT"? Ohhh maaan. I'll forgive you.

youch! Things have gotten INTENSE between these two astrologers. By now you should know that the Amazing Otis is back to reclaim his position (p. 2). But will Athor surrender without a fight? Unlikely. And could Athena be a woman from Otis' past? Who knows?.. He knows (tee hee!). Only time will tell!

Pat

You probably don't have any clue who I am, but I'm just another dedicated C.R.D.H.F.C. member, otherwise known as Susan Friday (Jeremy's sister). I've got a bunch of reasons for writing, so...

1) I WANT MY MEMBERSHIP CARD BACKPPP Jeremy said (after he got it for me) that you wanted it so it could be laminated or something, and that was 4 MONTHS AGO! HELP!

2) I have three pen-pals in Alaska, and they'd all like to be members (who wouldn't?), so I'll actually send you \$75 if you'll send me membership cards for them (their names are Jesse Barnes, Bill Richmond, and Jo Lynn Montgomery. In case you wanted to know).

3) I'll send you \$50 more if you'll also send me membership cards for Janay Nikotom, Catherine Zoplyanski. Everyone I know seems to be desperate to become a member, so PLEASED help me out here, they need my gazettes.

Oh, and by the way becoming M.O.M. has always been my dream (hint, hint). Not only did I write in (which, as rumor has it, is all you need to do), I'm expanding the club to new northern horizons? Help me out here buddy. I'm just a poor freshman M.O.M. wanna-be?

I'm sure you'll give you a stamped, addressed envelope to give me my goodies in (I've never seen you before, so I don't know where I'd see you to give me that stuff) so SEND IT! Thanks a LOT! U

PS. The power is to embarrass me with in the gazette next issue?
- Susan Friday, CRDHFC

Susan Friday has a sense of smell.

Susan, Geez, sorry about your membership card. It... well... um, it's a long story. HEY, if any members out there are card less, tell us and we'll try to fix that. Anyway, thanks for the letter, Susan, but it takes a bit more to become a M.O.M. Thanks.

4 - ANOCHECER (Quinda Club), 3 Agosto, 1995

Hola to all fellow C.R.D.H.F.C. members,

I guess I can welcome everyone back to the second season of the C.R.D.H.F.C. With luck this post card will arrive on time (within 6 weeks from now). I'd like to announce that news of the Club has spread like jelly to Paraguay and that we have a new addition to the California Chapter (Chris Daughy from San Jose).

Paraguay is irresistible, but I'm still looking forward to returning and catching a glimpse of how C.R.D. has honed his newspaper already perfect H.W. over the summer. I'm going to miss being able to chase cars through the streets, but I also miss the Club. Hope you like the postcard. It's printed in Spain, but bought in Asuncion. Chaa! Suede!

Joseph Grim-Feinberg

- Jose, el V.P.

Hey,

We all missed you too, Joe. Well, I know at least I certainly did. For those of you who don't know Joe spent about 2 months in Paraguay building toilets a poking people with needles. I don't know how he lasted that long without eating RIB-Q. Joe's just an amazing fella.
