VELOCIPEDE! VELOCIPEDE! VELOCIPEDE!

Many people have been getting on my case for talking about Velocipede so much and for doing the interview this month. Well, you can enjoy the interview regardless of whether you've heard of them or not.

While I'm on the subject of Velocipede, I really want to specially thank the Velocipede guys and gals for doing whatever they did to bring Velocipede back from the dead for at least one more show. You

made a certain Chinese kid happy enough to last a lifetime and it was the best birthday present I've ever gotten.

Sorry, everyone. After this issue, you won't be hearing about Velocipede from me anymore.

Another complaint has been about staff writers such as Tyrone and Otis (mainly Otis). It seems that we've always been walking the fine line between good and bad taste, and I had thought that

the complaints were inevitable. Voice your opinion. What do you think we should do with Otis, whose popularity is rapidly diminishing? Please tell us. Thank you.

guy!

Why is it like this?

Patrice the C.R.D.H.F.C. president

FANCLUB NEWS

Okay, we're pretty short on time this month. Hey, there's only 28 days, and we also have to wait for some people to get us their columns. Anyhow, here's the news, which no one reads anyway....

STICKERS! We're still waiting for President Pat to get those stickers. Yell @ him if yer still anxious.

NEW RAFFLE! You want it, you got it! It's the second official C.R.D.H.F.C. Raffle, starting this month (March). Tickets are still 10¢ & there're lots of great prizes. Oh, and another thing. Just as a special pat on the back of someone who actually reads the Fan Club News, the 1st 5 people who mention this thing to Joe the V.P. will receive a special prize for your reading.

C.R.D.H.F.C. COMPILATION! Hey! The Club is hoping to put together a musical tribute album. Anyone who wants publicity can record a song & we'll put it on the compilation.

MEMBER COUNT: I think it's about 260!

HEY! If you haven't gotten your Gazette yet, go find Pat or Joe & get your own copy!!!!!!

MEMBERS of the MONTH: Jessica Sullivan, Anne Lofaro, & Kevin Walter

Okay, Jessica has been an enthusiastic member ever since she joined the Club, but the real reason she's M.O.M. is because she asked so nicely. That and the fact that she put up with Pat & Joe bugging her all the time. She also stood on a chair in the cafeteria and shouted "I love Chris Rutzen's Dad!"

MEMBER PROFILE:

FAVORITE LETTER/WORD WRITTEN BY C.R.D.: capital K / MONKEY

FAVORITE TYPE OF FOOD: bread

FAVORITE HEBREW SPEAKING FISH: the ancient Hebrew speaking fish

FAVORITE ARIA'S SLING SONG: "Typed"

2ND FAVORITE SECTION OF THE GAZETTE: Ask Tyrone

DO I PREFER CURSIVE OR PRINT?

WHAT IS AMANDA LANIER'S FAVORITE FOOD?: no-bake cheese cake*

Not only is Anne a good member, but she also has a really cool signature. She also had to put up with Pat & Joe, but she has done a good job kicking Kevin (another M.O.M.) in the butt about getting around to giving a copy of some Stone Soup (Kevin's band) stuff to Pat & Joe.

MEMBER PROFILE:

DITTO: 6 / CLASS

FAVORITE FOREIGN WORD: Tagbiljett

FAVORITE STONE SOUP SONG: "Huh"

DOES KEVIN WEAR BOXERS OR BRIEFS? neither

FAVORITE BOOK: Life and Times of Sam Cheung

DITTO: pop

Being in the band Stone Soup Kevin hardly needs another reason to be M.O.M., but he has done more. He's promised to copy a bunch of Stone Soup songs for Pat & Joe, and we still believe that he's planning ongoing through with it.

MEMBER PROFILE:

DITTO: capital R / HYPERBOLE?

DO I LIKE THE NAME SIMPLE SIMON OR STONE SOUP BETTER?

FAVORITE STONE SOUP SONG: "Astronaut"

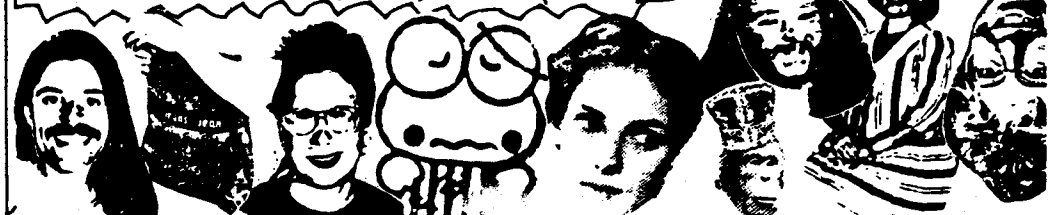

FIRST COUNTRY I INVADE IN R&B: Kamchatka (doesn't envy one?)

FAVORITE NUMBER: 11

DO I HAVE TIME TO ANSWER THIS QUESTION?:

*Sorry Anne & Jessica, but Amanda's favorite food is, in fact, broccoli, according to issue #2 V.1.1. Phil Tadsen, too, thought that it was poop. A common misconception.

Where's Jessica, Anne, and Kevin?

The AMAZING ORIS!

Due to legal problems from Jeanne Dixon, I will now use only months instead of dates.

January- You will find a long, lost relative that looks like a member of Sepultura. Buy some magic beans and plant them at your door.

February- Play a musical instrument and be a band leader. Tell someone that sucks. "You suck". Change your socks.

March- Happy Birthday! It's time to admit your part on the O.J. Simpson trial. You did it, didn't you? You are going to send an innocent man to jail, you bastard!

April- Guess what? The cable guy is raping your mom as you read this. Quit playing with yourself in classroom. Loud farts make good friends.

May- If you haven't showered in weeks, chances are, you smell like Mr. Lambert. Practice your rebounds.

June- Clean up your messes. Admire your asshole in the mirror, kind of like how Stone Randall does.

July- Fart in a bottle and smell it. You won't get sick, ask Dante Casagrande. Then take that bottle and light a match over it.

August- You are this month's grand loser. You are going to become part of the John Deere Fiasco. Suicide is the only way out.

September- Change your name to Eric Paskey. Then you can be a little, naive, picking, perverted, freak. Wear poly-ester for a week and like it.

October- Just remember, chicks suck. They are worthless pieces of trash. You want to know what they are good for? Makin' babies and doin' dishes.

November- Make contact with another lifeform. Call 1-800-BUTT BOY. Erin Conroy loves you. So does her cute brother, Ross "Not So Big" Conroy.

December- Inspect the art of stain-glass windows. Sell your talent to the church. Buy a snake and kill it. Buy a CD from Heartbeat Records.

MARCO BARCO'S HAIR CARE CORNER

Hi! It's me, Marco Barco, and who better to write a hair care column than me, the Man of Hair? Now there are probably many of you who have no clue who I am, so talk to Pat the Prez, and I'm sure he could dig up a copy of my story for you. Well anyway, for the 1st column, we'll be talking about the pros and cons of having long, beautiful hair. These views may be prejudiced towards having lots of hair (after all, I am the king of hair, aren't I?) but you must remember, I used to be a normal person w/ believe it or not, short (ugh!) hair.

Now on to the list:

- | PROS | CONS |
|--|--|
| 1. Great insulation for cold months. | 1. Hell in the summer. |
| 2. Attracts attention. | 2. Lots of brushing required. |
| 3. Protection from UV rays. | 3. \$ for shampoo & conditioner. |
| 4. Never need sunglasses again. | 4. Long time to dry. |
| 5. No need to chew nails, just flavor your hair. | 5. Mother nagging for you to get haircuts (but don't listen to it - look what happened to Brad!) |
| 6. Covers up pimples. | |
| 7. Great as disguise. | |

As you can see, the pros heavily outweigh the cons, so if you're one of those short hair freaks out there, I suggest you follow my advice and stop getting haircuts. Now let's answer some question about hair care.

Dear Marco Barco,
How can I get long hair like yours, and how long does it take?

Dear Wistful,
Never get a hair cut again, and your hair can be as beautiful as mine. It'll take years of patience, or just get somebody really mad at you when there's a bottle of Menoxodil nearby.

Here are the Member of the Month Runners up!!!

KEEPPLE- Keroppi is always providing us with great moral support. When we're he always cheers us up; when we're about ready to pull the trigger, he's there for a hug. And besides, just look how cute he is.

Besides being Jon Finley's sister, Katie has the grand honor of being the C.R.D.H.F.C.'s 200th member (she's got a cool red membership card to prove it). Overall, she's a great member, and did I mention she's Jon Finley's sister?

MOO **RYAN PARICER**- Our Figurehead Secretary is doing a splendid job. Bryan has been one of our most active members, doing various odds and ends that would take too long to list.

GUIDE- We haven't heard from our top secret hitman in a while, but be assured, he's keeping a very close watch on everybody. With rumors abound as to who he really is, take our advice and keep your mouth shut.

CONCERT REVIEW: Velocipede, The Man I Fell in Love With, Porpoise 3, NECRON 99

As Chris Rutzen and I made our 5th pilgrimage to the Harriet the Spy HQ, we were both filled with anxiety and excitement. Why? Because we were on our way to witnessing punk rock at its finest, Velocipede.
Necron 99 opened things up with a zany performance, although there were some technical difficulties. Porpoise 3 provided a very fun and exciting set, which included two new songs, "Bikini Centerfuge" and "Capt. Combat".
Next, The Man I Fell In Love With took the stage. The combination of chick magnet Joe Dennis' quirky guitar riffs and Amazing Jon Finley's versatile bass proved to be a major crowd pleaser. This is a great band that I will really look forward to see in the future.
Then came the grand finale. Velocipede played a very tight

Ode to The Chris Rutzen's Dad's Handwriting Fan Club

by Sarah Miller

The handwriting of Chuck Rutzen is quite A spectacular and amazing sight. From those double O's to the E-like G's. And he owns a store that sells CDs. This wonderful store is called Heartbeat. It's located by campus on Main St. With a club card, you can get a discount, 1% off the best deals in town. The writing of Rutzen is so cool. There's a club that celebrates it at school. One hundred ninety-two its member count! Those are the coolest people in town. The president of the club is Rat Hu. He's the bright kid in the beginning who started this club which is totally cool. The Speaker of the Club is a kid named Brad. His last name's Kramer, his middle cheer wiz. Beth is the secretary. Some say she is - A girl who does nothing for the club or all. Her hair is quite red, she's not real tall. Her brother is the figurehead secretary. His name is Bryan, not Bill or Larry. Chris Rutzen supplies all the writing. His dad's the reason for this whole thing. If you want that advice, just ask Tyrone. Don't blame the club his opinions are his own. But if the club you happen to offend, Some time w/Guido the Hitman, you'll spend.

Guido identity - know knows. And we will never find out, I suppose. We can't forget Joe Feinberg, the V.P. With Rat ad Wack, it's him I often see. The Top 10 lists by Mike Peterson Are read w/enjoyment by everyone. The Amazing Otis your future will tell. And for a quarter, the Gazette Pad will sell. But for members, the Gazette is free. You can thank Rob Susal, he makes copies. This is the end of my tale so it seems - To be Member of the Month, I can only dream.

- 1- As of Issue 4
- 2- Not anymore.

 - c. um... well, ah, I guess his "g's" and "es," yeah, that's it. (I've never really seen it.)
- 2.) You go to heartbeat because...
 - a. C.R.D. is cute!
 - b. duh... to buy CD's - why else would I go?
 - c. to watch C.R.D. write. I hope some of it will rub off on me.
- 3.) What would you do if you saw C.R.D. walking down the street?
 - a. bronze his hand and keep the mold forever.
 - b. fall down and start to kiss his feet - well, at least those magnificent fingers.
 - c. What does C.R.D. look like anyway?
- 4.) What is the first thing you do when you get the newsletter?
 - a. I just carry it around to look cool.
 - b. You mean there's something besides the handwriting section?
 - c. I usually read it through, front to back.

8-5 pts. Whoa, honey! Get out! Why pretend you're something you're not? This won't help you win any popularity contest or make you part of a clique. Info you might even associate with some dick like Joe the V.P.
