ISSUE 17 Vol. 1

## WE'RE BACK AND BEAUTIFUL!!! 1997 SWIMSUITS!!!

It's been an awful long time since you all heard from me last, as I was absent from Issue #16 and because this issue severely long overdue (By the way, I thought that Crazy Joe and Bryan did a splendid job picking up my slack for last issue).

days, UAM toured the South, and the 'Heaven's Gate cult surfaced. However, creating the most drama, excitement, and food for thought is the news that Chris Rutzen's Dad has decided to persue his gustatory dreams by relinquishing ownership of our beloved Heartbeat Records. and attending a culinary arts school in Cleveland. Rumor has it that one or more members of Kent spacerock supergroup Harriet the Spy will be hope-

fully purchasing Heartbeat from Mr. Rutzen. Wow... it's so much with a pen, just imagine what can happen with a rolling pin and a teaspoon in his hands. *orientally,* *Pat* *! Don't forget to vote for the CRDHFC awards!*

### FAN CLUB NEWS

**SWIMSUITS:** The 3rd annual collection of CRDHFC swimsuits is here! Check them out.

**FAN CLUB NEWS:** Reactionary forces within the Club have come to power, returning the Fan Club News column to the left. "People claimed they wanted change," said humiliated writer J. Grim F. "But when they got it they realized that they weren't ready. The right side is just too revolutionary for them. They want the old ways back."

**COMPILATION:** The best-selling CRDHFC Soundtrack is still available at HEARTBEAT RECORDS for just \$2.00. More than 40 minutes of splendid music! And Chris Rutzen's Dad's picture is on the cover!

**MEMBER COUNT** > 405.627

**SENIOR WILLS:** Hey, we're a pretty magnanimous organization. If you didn't get all you wanted in the Colonel senior wills, send us new wills, & we'll print them.

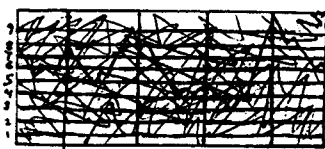

All right, you know the routine. Make sure every member you know has an issue. Find Pat, Joe, Bryan, or Brad. We've got plenty.

### MEMBERS of the MONTH: Tony Reznik, Mike Early, Ben Ruttan

These great guys have been loyal fans of course, as we always say about our M.O.M.s. But their devotion to the Club has gone much further than mere loyalty. During the final performance of the one-act play in which they starred, Tony answered a phone with the word, "Chuck Rutzen? Hi, yeah, so..." to the audience's delight. As they bowed at the end, Mike wore his CRDHFC T-shirt. And Ben had shaved his head.

# LOCAL LEGENDS Part 1: Justin Pierce

Justin Pierce has been a devoted fan of CRD's H from the very beginning. In fact, in 1995 he won the prestigious contest that determined who possessed the handwriting that most resembled that of CRD. But that just wasn't enough for Pierce... On one cold day in Dec, he became the man who met Coolio.

J- Justin Pierce  
P-me, pathu  
P: so tell me how you became the hero of millions as the man who met Coolio.  
J: so you know, i'm you know, i'm uh, you know...uh, you know, i'm a middle, you know (flustered). i'm in the middle of the country, i'm a lil' white boy livin' in Ohio, you know, the middle of nowhere, just tryin' to get somewhere in the world, you know, so you know i try to get a job @ that Acme up there by the big kent state univesity, you know, where all the people go to school & everything, to get an education  
P: okay, i'm w/ ya.  
J: so then COOLIO comes in!! and he buys a 6 pack of Budweiser.  
P: uh huh.  
J: Now you'd think w/ all that \$\$ he'd buy something better, but he bought

budweiser... but hey, what're you gonna do right? THERE'S THE STAR WARS CUBE!!! (from Taco Bell)  
[chris lemon, i think, is playing w/ it]  
P: back to Coolio, he's one of the bruthas, he's down to earth.  
J: he is. he is one of THE brothas, & you know, ever since i met Coolio, it has changed my entire life. My life has gone only up.

P: Only up.  
J: ...not down.  
Chris Lemon: Who?  
J: (to Chris) I met Coolio, did you know that?  
C: Coolio! (surprised) Gangsta's Paradise.  
P: What was your 1st reaction when you saw the man?  
J: My 1st reaction: my mouth hit the floor, I began to cry and thank god. that was my 1st reaction.  
P: did he say anything?  
J: he did. he did say something to me. i asked him if he wanted a bag and he said ... (dramatic pause) "son, i don't need a bag," and hey, isn't that all that needs to

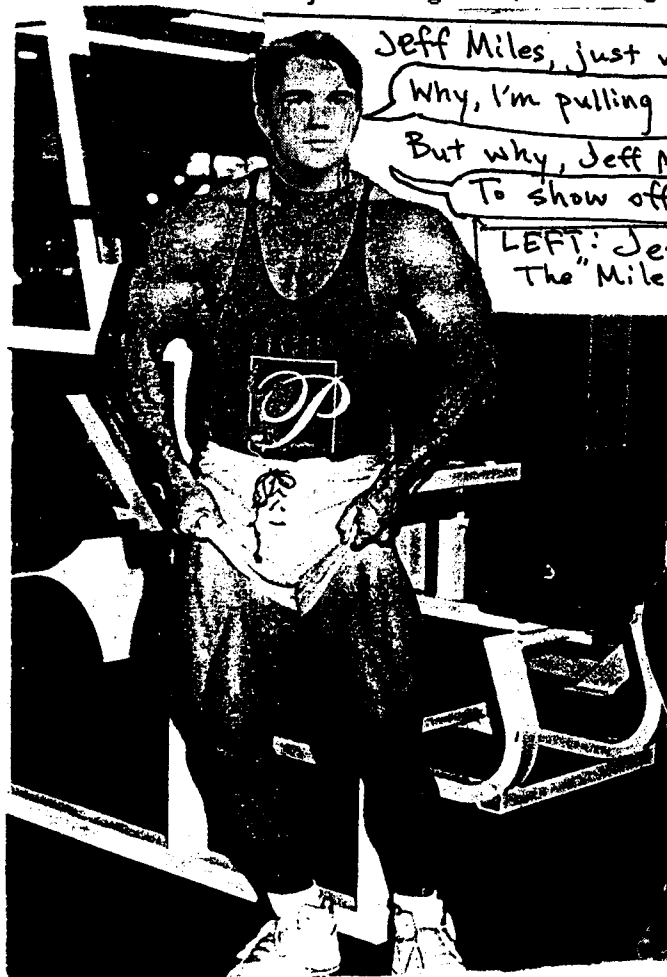

be said?  
P: [speechless] that's....hey....  
[once i gather my breath] um, what kind of hair was he sportin? the regula Coolio 'do, the afro puffs?  
J: Oh, he had the Coolio hair, the twizzled up twizzler looking  
[I spy Notorious Nathan Reyes down the hall]  
P: BEMPTIR!!!!!!!!!!!!  
Nathan: THREE PRONGED ATTACK!!!  
N. Ruggles: (out of nowhere) Tool might be playing @ Lollapalooza.  
P: Justin, didi you happen to see the Coolio concert?  
J: No, but Bryan Parker did & said it was great.  
P: Yeah, me and Slater went w/ him. what's your favorite Coolio song?  
J: Gangsta's Paradise.  
P: yo, i'm fond of 1,2,3,4, sumpin' new. so...how exactly has your sublime encounter w/ Coolio affected your outlook on life?  
J: The only thing i can say, to sum things up, is to say that Coolio is the tix nits. that's all i have to say.  
P: tell us what's up with the upcoming "White Men Can't Funk" film.  
J: Ah yes, premiering late April, there will be a soundtrack early April by Bryan Parker & Justin Pierce, noted 2 white boys w/ red hair. thank you very much.  
P: Yeokay. thank you. \*\*\*\*\*

Jeff Miles, just what exactly are you doing?  
Why, i'm pulling up my short shorts.

But why, Jeff Miles, why?

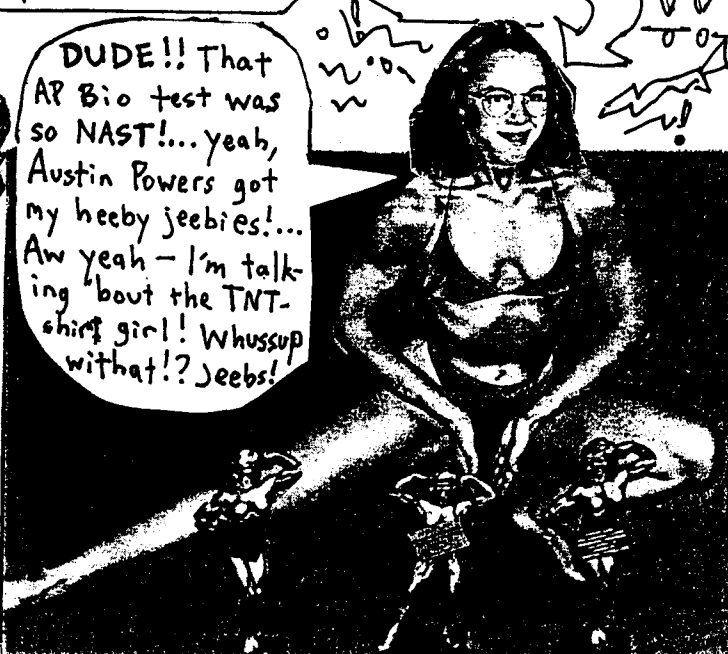

To show off my bulging "thighs of steel."

LEFT: Jeff "The Man, The Myth, The Miles" shows why people call him Rock.

DUDE!! That AP Bio test was so NAST!... yeah, Austin Powers got my heeby jeebies!... Aw yeah - I'm talking 'bout the TNT-shirt girl! Whussup withat!? Jeebs!

## PSYCHOTIC THOUGHTS

with MIKE PETERSON

- If you ran across Iran and nobody cared, you could wear a t-shirt that said, "I ran Iran and all I got was this lousy t-shirt."
- If you were a prostitute from Malaysia, your ad could say, "I lay Malays."
- If there were a guy like Pat Hu, (the Asian Sensation) except that he was from Haiti, you could call him the Haitian Sensation.
- If the cyclops were a pirate, would he have a big eyepatch in the middle of his face?
- If you are a pirate and you get maimed in battle, make sure your surgeon isn't drunk, or else you'll get a peg-arm and a hook-foot.

## DREPPS, FAERIES, and FOLKLORE

3 o'clock AM. Get up. Walk. Go to bathroom. Do the duty. Unleash a stream. Into the turlit. Aha, emptiness. Redemption. Remorse. Resentment. Why.... Rinse out mouth. Feel dizzy. Sit down. Wake up in a pile of garbage. All tingley. Walk back to room. Turn too early. Walk into wall. Lay down. Eat corn nibblits. Thank you Mr. Miner. My friend and foe. Interesting.

# LOCAL LEGENDS Part 2: Matt Slater

PH: ok, so how's it goin?  
MS: (shrugging) you know.  
PH: so tell us how you feel about your appearance on the Jenny Jones Show.  
MS: Pretty decent, really.  
PH: you do realize that you have become somewhat of a legend at Roosevelt High?  
MS: A legend, huh? what do you mean, i'm a legend?  
PH: I mean everyone talks about you at school. Girls hear the mere words, "matt slater" and their hearts skip a beat. (we all yuk it up)  
BW: "slaughter" slater. Matt muthu-fuckin' slaughter slater.  
MS: i don't know him.  
PH: Matt "fuckin'" Slater.  
MS: That's fuckin' right.  
PH: so, what was the highlight of being on the show?  
MS: the highlight was meeting Hawk.  
PH: Aw the black guy!  
MS: Well there was many black guys. the guy that, uh.

PH: the gigolo?  
MS: the gigolo. who stripped. and had really nice boots on and everyone should check that out.  
PH: he was bald, right?  
MS: Yeah, he was bald. he was straight-up sweet.  
PH: who's idea was it to get on the show?  
MS: that was all Dawn Swartz.  
PH: How'd it all happen?  
MS: she called them & they told her they really wanted us to be on the show. Dawn called me up one day & told me, & i was like "whatever" & then the next day, jenny jones called me & i couldn't believe it. then uh...you know, i went. Sat next to a nut on the airplane. 1st time flying.  
PH: Really? Um, do you find yourself walkin' the streets of Kent w/ people going up to you & sayin, "Woah, you were on Jenny Jones show."  
MS: No. not enough as it should happen.  
PH: i'll keep that in mind. alright...so tell the public about the new dynasty of the Underground Asian Movement. you know, i know what's up cuz i'm on the inside track, but go on & enlighten everyone else.  
MS: Alright, here's the plan. Well, the 1st Dynasty...

RIGHT: Slater finds time for beauty sleep during UAM's voyage to Graceland.

BW: was pretty much me sweeping stuff up.  
MS: yeah, was pretty much Ben sweeping... & cleanin' floors & mopping.  
PH: and me & Phil eatin' everything.  
MS: then the gods of heaven were just like "we need some help controlling the mortals." they were pretty serious. so Phil (Lanier- ex uam bass wielder) got recalled.  
PH: he was defeated in battle.  
MS: yeah, he was defeated in battle; he was a blemished uam member.  
PH: He was a martyr.  
MS: well, yeah, we can call him that, but come on, he lost a battle...to Vito.  
PH: (smilin' cuz I know who Vito is) That's true...so let's see...analyze the "cuteness" of the UAM.  
MS: "ok here we go. here's the matt slater analyzation of the underground."  
BW: hee-hee-tee-hoo-ha (gigglin')  
MS: Be quiet, HIPPIE! -the underground asian movement.  
PH: ok, go for it.  
MS: ok, Ben Weinand- definitely the sorriest hair. I mean, he loses outright his hair.  
PH: that's what i'm thinkin'. his potential for hair-coolness is like ZERO.  
MS: yeah.  
BW: turn that recorder off

PH: yeah.  
MS:...but like, every once in a while it'll get really big & have way too much body.  
PH: DAMMIT!!  
MS: he looks like Mushroomhead from Fat albert.  
PH: you've gotta warn be about that!  
MS: I do! I tell you!  
PH: okay...i took care of it yesterday, i got a haircut (Emory's barbershop-downtown).  
MS: But, uh, he's probably the best-lookin' Asian i've met.  
PH: woah, i top SAM CHEUNG?  
MS: yeah, in good-lookingness. alright, that's it.  
PH: What about yourself?!

MS: I can't analyze myself.  
BW: i've got something to say: THE CURLS.  
MS: the manta ray on my head.  
BW: the curls are his power. there's no stopping the curls.  
MS: the manta ray. look out.  
PH: ok, why do you fancy ranch salad dressing so much?  
MS: I don't even know.  
BW: yeah, why do eat it w/sun chips, that's so fuckin' gross.  
MS: CITRUS?!! BW: SUN CHIPS!!  
MS: look, i'm about to kick your @\$\$. i'M gonna rock you.  
PH: how's the college life ^  
BW: avoiding girls! (gigglin')  
MS: you need to be quiet. this isn't the interview of ben weinand.  
BW: hey, when my turn?  
MS: you don't get a turn. you're sorry.  
so anyways...uh, what's the ? again?

i've been eatin' alot of pancakes lately &  
the bagels- ok- never mind the pancakes.  
forget i said that. the bagels are AMAZING.  
seriously so good. it's unbelievable.  
PH: yeah? where do you get em?  
MS: the student center- but i rarely go to  
breakfast  
[the cobra pulls into my driveway]  
PH: hey, check out that rental car.  
BW: (being a smartass, as i bashed up the  
Maroon Marauder a few days ago) where'd  
that come from?! i can call you 'Crash Hi'  
now!  
MS: that's stupid. shut up, ben. you're so  
annoying.  
PH: what do you think of ben's campaign for  
prom king?  
MS: i think he's a jackass, personally.  
BW: yeah, interview me when i WIN.  
PH: okay.. um , anything else?  
MS: I'm really just a lamb, girls. that's all,  
just a lamb. beneath this tough exterior...  
i'm just a lamb. \*\*\*\*\*

Since the time of this interview, Matt has not made another appearance on any talk shows. Rob shaved off his goatee. Ben decided to drop out of the Prom King race, and Pat Hu has gotten two more haircuts.

# SENIOR FEST

Many were starting to ask: "So is that Club still around?" The Gazette had been slightly late at this year's beginning, and the brilliant memories of the Club were only occasionally recalled by a few stray words in conversation, and by the T-shirts worn by the most loyal and aesthetically astute of our members.

Jovial Laura Barnett marvels at the wondrous CRDHC merchandise.

Of course we were returning, and we decided to return in style. The newly organized Senior Fest was our opportunity; so we determined to set up a booth. A booth it was, but not just any old booth....

We produced a new issue of the Gazette to distribute to members, and a new batch of beautiful shirts was back on sale (only \$3.00). Plenty of back issues were, as always, available. The CRDHC Video Extravaganza

sold for \$5.00. But then what? We could have sold food, but Amnesty International had cornered the Rib-Q market. And parasailing was out of the question, due to the lack of a significant body of water.

Happily, the Club Pres. and V.P. had a stash of old records lying about our houses; so some of those went to the bargaining table. Various odds and ends soon lined the area, ranging from stickers to click-toys (or something). To fill out the material smorgasbord, some genuine sticks from the Crazy Joe Compound Woods were brought. (7 sold @ 5¢ ea.) Pat Hu even provided one expert ear-cleaning for 25¢. Still, something seemed missing.

Haircuts! That was it; we were certain at the moment the idea entered our heads. So we got a makeshift barber pole and went to work. Haircuts for just 2 bits!

And what a happy success it was. We're glad to be back. And now we've got razors. Watch out. ☺

Maria and Nicholas DeFange display their brand new sticks, which, we are told, still work quite well.

Talented rookie Pat Hu goes to work on the soon-to-be-beautiful Burke Podany.

5626 HORNING RD. KENT, OH 44240

hello. I'm just writing in to remark upon what a beautiful job ya'll did w/ the Gazette (even w/o Pat) and to get a few things off my chest: such as this silly hindu proverb thing that my friend rose and i came up w/@ BF early in the morning. is it in the least bit amusing/marketable? (that was most likely a rhetorical question) and here's a quote from mrs. reith:

"i can imagine myself breaking his nose at that moment... or breaking something at any rate... excuse me, i shouldn't have said that.. sorry if you found reading this to be a total waste of time."

hindu proverbs are probably just like regular proverbs

the writing on the forehead cannot be effaced.

though the snake be small, hit him with a big stick.

an injured foot is always stumbling into rocks.

for the belly's sake we put on many a disguise.

even a sheep bites the man without a stick.

offering without faith is a waste of flowers.

the sound of a distant drum is pleasant. (see bagpipes)

I'm in the CRDHFC and I'm ~~for~~ <sup>for</sup> Elizabeth Fein  
\*very humbly,

Elizabeth, This silly hindu proverb thing sure is silly. Y'know, if a fan club for a record store owner's hand-writing can find a place in this world, I think anything is possible (yes-amusing/marketable - even if it was a rhetorical question). Oh, and anytime you quote Mrs. Reith, it's NEVER a waste of our time. Thanks.

ancient hindu proverbial questions for you to ponder:

will you worship the sun after losing your eyes?

how far can you push a person up on a tree?

must you teach your grandfather how to cough?

don't try to go where your talents are not needed; what should a laundry-man do in Naked Town?

the man who sells the records possesses remarkable penmanship.

Dear Pat,

I am a loyal and honest friend of the club. I've read the newsletter every time it's come out, and I've even written a few articles in it. I do, however, have a few questions that I think many members are thinking...

1. What will you do next year when you're not "here" any more?
2. If you decide - as president - to keep the club in operation, how do you plan on involving incoming students?
3. What's going to happen with the soundtrack profits?
4. The first year we got newsletters every day (it seemed). Then you cut it down to every 2 months. This year we've only seen 3 or 4 newsletters. Is the club fading away?
5. Do you have any trouble getting the newsletters out without any kind of official publishing?
6. Will the CRDHFC ever replace that slop the school trowels out for 75 cents on Thurs. and Fri. (I think they call it the Colonel).
7. Where do you see the Fan Club in 5 years?

remember the Qui-Weekly News?  
sincerely,  
Eben Schoonover

Eben,

I'm glad you sent us this letter. You've asked a number of good questions, so let me get to answering them.

- 1- I'll be off at college somewhere, learning about stuff like writing, Asian cultures, education, and film. Ha
- 2- Rumor has it that Bryan Parker may take over reigns of the club, but I wouldn't count on it. Otherwise, I have no plans. Sorry.
- 3- It's a cycle, y'see. We make stuff (T-shirts, tapes, etc.) to sell, to make more stuff (issues, more shirts, etc.).
- 4- It's probably safe to say that the CRDHFC has passed its hey-day. When I was a sophomore things were absolutely bonkers w/ everyone talking and telling everyone else about the club. We've of course drowned ourselves in other activities, which obviously leads to less time toward the club. However, it's also been challenging trying to maintain the Gazette's "edge" or whatever it is. I guess maybe The Gazette could be "fading away" but in my mind, the CRDHFC will never fade away as long as people remember it.
- 5- A bit. Publishing each issue has been an individual adventure, but I don't have room to go into that here.
- 6- Nah. There's a place for everything.
- 7- Firmly planted with fond memory in the back of club members' minds.
