ISSUE 5 VOLUME 1

SIZZLING SWIMSUIT ISSUE!!!

Why do people rip up our copies of the Gazette? Do we bother people that much? I know everyone's got opinions and I really encourage people to express them, but it crosses the line when you ruin someone else's enjoyment.

Instead, here are some other options:

- 1- Write us a letter. Hate mail! O boy do I love hate mail! We actually got our first batch of hate mail after last issue, and as

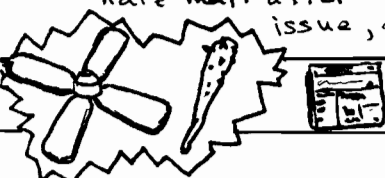

absurd as it may sound, it kind of felt like we had reached another milestone.

- 2- Yell at us in the hall. Don't worry, I've been made fun of all my life, you probably won't hurt my feelings. Just don't talk about my mom.
- 3- Pour lemonade down Joe's pants. We do it all the time, it's fun.
- 4- Kill vs. Go ahead and try to get past Guido. But actually, I think I'd make a good martyr.

I realize that, for whatever reasons, there are many people who dislike the C.R.D.H.F.C., and a lot of times, everything gets pointed to the person

in charge. In this case, I guess that's me. I've said that with each new issue of the Gazette, more & more people think that I'm an idiot, and maybe I am, but I can't accept that if you don't even know me. Do I want to be loved by everybody? Hell, no. I just wish that people wouldn't rip up the Gazette. Sorry for preaching!
It's the swimsuit issue, so...

Pat Hu - C.R.D.H.F.C. Pres.

Hey! It's the NEWS! So read up!

STICKERS! Thanks to the Spectacular Jamie

Stillman we got stickers for the Fan Club. Hopefully we'll have more out by the time you read this, the first batch sold out in 2 days!

Interstate Fan Club The C.R.D.H.F.C. now

has members all across the nation. We've got New Yorkers, Marylanders, and a Pennsylvanian, among others.

AAPHH!! The biggest news this month? That's right. Brad the Speaker got his haircut off. Now he really does look like his picture. Laugh when you see him in the halls.

Kung Fu Fighting! Who sings it? Word on the street is Dyan Sheverman will offer a nice reward to the first person who can tell her who sings "Kung Fu Fighting".

MEMBERS of the MONTH

Phil Tadsen and Jamie Stillman

Phil initially became February's co-M.O.M. because he promised interviews with all the ex-members of the band Velocipede. (Check out next issue) but he has also done a great job recruiting new C.R.D.H.F.C. members. We need more great missionaries like him.

We've had such great help this month that we have two M.O.M.s. Jamie Stillman shares the honor with Phil. This is mostly due to the amazing stickers he made for the club - without us even having to ask him! Even besides that, though, he's been a real member all around.

HE'S BACK! The AMAZING OTIS!!!

Hey, fan club brothers!
Glad to be back. When Pat
asked me back I said
"Grrrrreat!" This is the extra
special swimsuit edition, February, 1995.

Aries (3/21-4/19) - Go west, my son/daughter (damn feminists). Find gold or go to Vegas. Saddle up and ride 'em out of Ohio. Sleep on the couch. Call 1-800-FLOWERS.

Taurus (4/20-5/20) - Hubba hubba! Go find love. Whether it be man, dog, or appliance. Join the military and shave your head. Don't drop the soap.

Gemini (5/21-6/20) - Go with your heart. What is right isn't always popular. Support a sports team. Show your spirit by painting your face in their colors.

Cancer (6/21-7/22) - Stay home from school and do every crossword puzzle in the papers. Go to the library and make animal noises. There, you will find a new love.

Leo (7/23-8/22) - Bend over and look at your @\$\$h!%* in the mirror. You'll be surprised. Cannibalism can and will lead to an inner relationship. Give Erin Conroy a kiss.

Virgo (8/23-9/22) - Read the paper, or if you're illiterate, listen to music from Heartbeat Records. Be a brave little Hiawatha. Go take the cheese.

Libra (9/23-10/22) - Love is in the air. Smell it? No, wait. That's Mr. Lambert. No, wait. That's Steve Randall. He has never kissed a girl. In case you were wondering, he practices on his pillow from 7:30 PM to 4:00 PM.

Scorpio (10/23-11/21) - Watch more TV and get tat. Just kidding, but if you want to, go ahead. Go to Heartbeat and buy a CD for a friend. They will say "Thank you." If they don't, they are no friend.

Sagittarius (11/22-12/11) - Study hard and get good grades. Be society's monkey. Learn some lyrics from the Green Day CD. Learn to play badminton. Buy a new pair of shoes. Lick toe jam with your tongue. The grease tastes like butt.

Capricorn (12/22-1/19) - You've got great curves. All 15 of them. Order a pizza and kiss the delivery boy. Oh well, if you're a man. Buy a CD from Heartbeat Rec.

Aquarius (1/20-2/18) - Go see Pulp Fiction and see some blood. Go see Little Women and see women love. Buy a new pair of pajamas. And for God's sake, change your underwear.

Pisces (2/19-3/20) - You are the lucky winner this month. You should want to have Chuck's baby. He has standards, you know. Steve Randall, so sorry. Nick Boncek. Eegads. Eric Paskey, you're the one. You are capable of having his baby.

Statement to the club: As you know, it's February and that little naked boy in a loincloth will be around. Show affection for family members. Oh wait, this isn't Brimfield. OTIS *** OTIS

BOB'S C.D. REVIEW!

Hello. I am Bob, and I am going to Review C.D.s for the C.R.D.H.F.C. This month's selection is *The Downward Spiral* by Nine Inch Nails. If you like techo, alternative, or funk, you'll probably like this C.D. It has an innovative sound, but I do not like the over use of synthesizers and electronic drum machines. Some of my favorites are March of the Pigs, Mr. Self Destruct, and Heresy. Trent Reznor's writing ability is very evident. (He writes and performs all of the songs.) I give it 4 (of a possible 5) cheese wedges up.

The Member of the Month Runners Up:

AMY BUBENZER Amy was named as a M.O.M. runner-up because she always has a smile on her face, and more importantly, she gave me the handles to the money bag.

NICK BONCKER Nick gave me a ride home in my greatest hour of need, but that's not all. Nick is one of the few people who know the true identity of Guido, but that's only because he overheard Joe and me talking one day. Lucky stiff.

DAVE NEESON Wow, let's see, Dave's done a lot for us/me. He's given a TON of help at Kinko's, he gave me a new Pez dispenser (Wonder Woman!), he gave me a tour of the Harriet the Spy Headquarters, and he has a toilet in his closet.

ASK TYRONE! AND JAMAL!
