ISSUE 11 VOL. 11

**EIGHT HUGE PAGES!!!**

Everyone knew it was possible.  
The whispers in the air could  
faintly be heard but could they  
be trusted?

Yes, indeed, the rumors are true—  
the C.R.D.H.F.C. has decided to work  
with Student Council in order to  
produce official club T-shirts. I  
know that you're probably think-  
ing, "Student Council?! What the  
hell's goin' on?!". but have no  
fear, we almost think we

almost know what we're doing.  
Here's the deal we've worked out:

- Student Council funds the  
entire t-shirt production.
- Student Council receives all  
t-shirt profits up until prom.
- We get total creative free-  
dom.
- We will not allow the t-shirts  
to be sold for more than \$5.

Basically, we want cool, inexpen-  
sive shirts with a design that we  
fancy. It's like Buddy says, "I

don't care about makin' money..."  
— you get the point.

Complications have already arisen  
but I personally promise that  
C.R.D.H.F.C. t-shirts will be made,  
with or without Student Council.  
Just keep on buggering me.  
Thanks.

funny guy. Everytime someone asks you, "How's it hangin'?", you say, "To the left!!" Is that your catch phrase?

JB: Well, that was at some time but I got sick of it, especially since so many teachers overheard it. heh heh! No, I'm kidding about that one.

G: [to me] Are you on the Colonel?

[I laugh, shake my head]

P: Uhh... What music you like?

[J's bus arrives]

JB: ...Here's my-damn! I wish I could answer more of these? s.

P: That's OK, keep going. We'll continue tomorrow.

JB: OK, um... music that I like. Dire Straits... basically any early 80's music is good.

[the next day]

P: Alright, you ready for part 2?

JB: Yeah. P: How are you 2day?

JB: I'm fine.

P: Yesterday we left off w/ music, so...uh... [3,4 guys follow us] What are you guys doing?

Guys: We want to listen.

P: Uh, ok... so how do you see your own H?

JB: Eh, not too elegant. It gets

JB=Jason Burke P=me JF=Joe g.f. G=some girl who was laughing the WHOLE time T=Tony recznik SP=skinny puppy guy

P: So how's it goin'?

JB: It's going fine. Do you have 2s prepared?

P: Yeah, I have 2s. Um... how do you feel about your fellow classmates?

JB: Well, they're alright. There are a few I have trouble w/

P: Like who? ...me?

JB: No, not you. Just a couple guys in my Physics class who throw spit wads @ me.

P: Speaking of physics, how do you know so much about it?

JB: Well, it's just an interesting subject to me. It's, uh, very straightforward stuff, yet it's very interesting. It's not redundant, yet it's not subjective. There's always a definite answer.

P: It's a science.

JB: Yes, there's always a rock-solid, logical answer.

P: I understand that. So, um, congratulations on being nominated for Homecoming Court.

JB: Yeah, but I didn't get into Court.

P: How do you feel about that?

JB: Uh... well, I don't know why they didn't vote for me, but-

P: See, I heard a rumor about a conspiracy, that you had actually won, but they decided to give it to Andy Nash, for whatever reasons.

JB: Well, I mean, well... I really don't care 'cuz if they want

Andy Nash in there, one way or another, Andy Nash is gonna get in there, basically. So they might as well have voted for him.

P: But what if you had gotten more votes?

JB: If I had gotten more votes, Well, then maybe they pulled a conspiracy, then, 'cuz they changed their minds. I dunno.

P: So you think it was a conspiracy?

JB: Well, if it was, I can see why they did it.

P: Why?

JB: Well, becuz they might have changed their minds.

P: Becuz he's a football player or something?

JB: No, well, because they changed their mind, for whatever reason. They might have changed their mind and said, "Oh... uh- that's if it were a conspiracy."

P: Right. Someone else told me about another rumor that your mom told you to pull out of the competition.

JB: No, my mom did not tell me to pull out of the competition.

P: Good, I'm glad that's the truth. So... have you heard of The Chris Rutzen's Dad's Handwriting Fan Club?

JB: The who? (I repeat it)

JB: [slowly] The Chris Rutzen's Dad's Handwriting Fan Club.

P: Yes, that's right.

JB: Uh, no I haven't heard of it.

P: All right, let's see... so what are your plans?

[Joe enters the discussion]

JB: Well, my plans are to have a wonderful career as an anti-viral software programmer.

P: Well, DAMN, that's good!

JF: That would be cool.

[Joe takes out CRD's H]

P: What do you think of this guy's H? Cool, not cool?

JB: Uh, [puzzled] well, it's legible.

P: Is that it?

JF: Does it have any artistic appeal do you?

JB: Mmm... not really. H is H.

P: Uhh... [dizzily] well, I think that's some pretty damn fine H, if you ask me.

JB: Well, I don't tend to, uh, I guess, judge the artistic value of H, so I'm not an expert on that.

JF: I understand; it's there for practicality.

G: Do you have a girlfriend?

JB: No. P: you wish? JB: Yeah.

P: I think everyone does. Well, unless you're a girl.

JB: Uh, heh heh, and you still might even if you are a girl!

P: Exactly. It's just that need for a companion.

JF: It takes all kinds.

P: So, it seems that you're sort of like a magnet for trouble.

JB: I am? P: Yeah. JB: How so?

P: Everywhere you go, people holler @ you or they're push-in' you around or something.

JB: Well... that's because I'm an innocent victim, I guess. They kind of see me as a pussy and that kind of triggers them to do that.

P: See, I think you're a clever,

There's some show on MTV that you can get on through your computer, and this summer, our club Left-handed Guy wrote, "Join The CRDHFC!!!" for the world to see. In addition, Eric has been working with us to produce the club T's. He's just a lil' Puny Pervert.

Renee Timberlake

Eons from now, Renee will be noted in history books as the bringer of Schistfield. On Oct. 17, 1995, a link was provided by the fleet footed messenger, bridging the gap between the present and the future. As she handed me the CRDHFC Schistfield song, I had yet to realize that the world would never be the same.

# HEARTBEAT

Heartbeat Records

Okay, everyone, I apologize in advance. I know not everyone wants to hear about our investigative reporter, but I guess the truth is, lots of people do. So... It was a cold, dreary Oct. 10, when walking out of English, Joe and I spotted the future of everything, Phill Tadsen. Later in the day, Phill appeared in my Acting n' Directing class, where I conducted this interview...

Hu: me, pat hu PT: Phill C: Mrs. Costa

Hu: So, how's college life?  
PT: Ah, college is going very well.

Hu: Uhh... care to elaborate?  
PT: Yes, I'm enjoying my classes a lot, and I'm being guided by the brilliant light of the CRDH (dramatic pause)... FC, and I'm keeping in touch w/ many other members throughout the nation. And SCHISTFIELD is coming very close to a hostile takeover.

Hu: OH MY GOD!!  
PT: We've talked enough, it's time to take action. New SCHISTFIELD-Thanksgiving. Be ready, or else you'll be taken from behind.

Hu: Oh, my. And there will be a SCHISTFIELD song on the CRDHFC compilation as well?

PT: That's the plan. I'm recording today, hopefully.

Hu: Excellent. Umm... do you want to give us a sneak preview?

PT: Uh... I will tell you a quote from the lyrics. Umm... "expedience is my only inspiration".

Hu: "INFLUENCE!!!"

PT: "Influence"-that's what I said!

Hu: Oh, you said "inspiration".  
PT: No, no, I said "influence".

Hu: Ah! I have it on tape!!!

PT: Ah, don't misquote me, Pat. I said "influence".

Hu: Alright, fine. So what are your feelings on CRD's H?

PT: Well, obviously, it's the handwriting of kings, it's the handwriting of gods.

Hu: No doubt.

PT: It's greatly impressive and I-uh-I kinda get depressed sometimes because the club LOSES SIGHT of its original goal and does not include eno-  
Hu: Like when?!

PT: Like when they put things like... uh, oh, what's his name? The bastard! Y'know, the guy, the bastard!!!

Hu: Who?!

PT: The guy! Uh... y'know the uh... y'know, that Casagrande character!

Hu: Ohhh...

PT: Yeah, that's right, you know who I was talkin' about!

Hu: Don Geronimo...

PT: Yeah... Don Up-yeah, whatever. So when they put people like that in there, defeating the purpose. Need more handwriting in that magazine.

Hu: Yeah, well, we're always working on getting more H, but it's tough, sometimes.

PT: Even perhaps a H contest not even trying to mimic CRD's H, but just like, y'know, to see who else has the coolest H.  
Hu: That's a good idea. Style isn't all just about CRD's H. You've got to create your own style.

PT: Yeah. I think it'd be a good idea also if they had to turn in a graded paper from their teacher so you know they're not just fakin' some fancy style, so that, y'know, this is how they normally write. I'm talkin' about regular handwriting.

Hu: Yeah, yeah, I understand.

Let's see....

C: Is this an interview for something?

Hu: Yeah, for my zine.

C: For your what?

PT: FOR THE SCENE, BABY, FOR THE SCENE!!! (classmate asks, "what scene?") THE scene, baby, THE scene!!! The scene that everyone's been missin' out on, the future.

Hu:..heh-heh..so, um, tell how you first became involved with the CRDHFC.

PT: Well, uh... I started to see signs on Mr. Hill's door- or Mrs. Reith, maybe. And I just started to wonder, "Wow this guy's H must be something special." So, uh, once finally I got a look at the 1st edition of The Gazette, it pretty much from there just skyrocketed- at the point where I first saw the Man's handwriting.

Hu: I understand that you got involved through Chris Rutzen, himself, the Jesus of the club.

PT: That's right. Chris Rutzen, Jesus indeed, was in my Violence in America class and I got the hook up from and got the VB... VB dipped, in Spanish membership card, which (whips out wallet)... even though I've gone to college, even though I've got a college ID, you can plainly see, is ALWAYS the 1st thing in my wallet.

Hu: All right. PT: You got it. All kinds of new IDs n' everything, Chris Rutzen's Dad, ALWAYS 1st.

C: OK! LET'S GO! GET SET UP ON THE STAGE! LET'S GO!!

Hu: We'll have to continue this later.

[the class proceeds to stage. 3 skits presented, 1st of which stars Courtney Freeman & Jess Proske (very well done). the 2nd skit (mine) is basically 3 idiots running around hitting one another w/ pillows & waffles. Oh- i get thrown off the stage a couple times, which is cool.]  
Hu: Your thoughts on that little skit?

PT: Ah, that skit was incredible, I think it's about time someone got their name changed to PLOT Hu. That skit was full of plot and even more full of action, I was amazed.

C: Turn the machine OFF!!

[3rd skit- having to do w/ LSD]  
PT: ...LSD. Tell someone you don't like that, cuz they're also poisonous. So uh... I come to this class, see a couple good skits and one that just SUCKS. I'm kinda upset about that situation. And uh, y'know... I'm real tired today, back in school again.

Hu: You're a busy guy. You were on TV today!

PT: I'm a busy guy, yeah, I got like 7 hrs of sleep in the last 2 days. Y'know, work till 3 in the mornin', gotta get up at 8 in the mornin'. I'm a regular Troy Stillman, I'm tellin' ya. My ass be workin'.

Hu: Who's Troy Stillman?

PT: That's Stillborne's dad. yeahx3

Hu: So where're you off to next?  
PT: Goin' up to big Mike Hornyak's Spanish class. Klikatat Ikatowi (it's on my bag)

Hu: Yup, yup.

PT: That's the plan. So... uh, good luck to the club.

Hu: Thank you, thank you.

PT: Hopefully, I'll be recording today to put on the compilation.

Hu: Uh oh. SCHISTFIELD- the future of music.

PT: The future of music, the future is here. We've talked enough, the time has come. Get ready for destruction...

Hu: We'll leave it at that. End

\* Mary Kate and Ashley Olsen \*

The car you're driving isn't going to the Olsen home. You drugged the twins earlier, slipped it in their "punchy". When they awake, they are in a pool, tied to bright pink rubber floats. You've poured ten or twelve gallons of gasoline in the pool. Behind them is a sign that reads, "Welcome to Hell, Olsen twins."

You drop the match and step back. The whole thing takes maybe ten seconds. They are the funniest ten seconds of your life. When the fire starts to streak across the pool, that's when their eyes get real big. They start to squeal like little pigs, trying to move to get away from that burning pain. Flames turn their clothes bright, then black. The screaming—so hilarious that you are on the ground. One, Mary Kate it looks like, gets to the edge of the pool. While she pulls what's left of her torso up, you fire clean between the eyes. It's good to clean house.

The X G Files  
By Agents Flying Squirrel and Scabby

Hello folks! Here we are again, hot on the trail of the club's infamous hitman. However, I would like to cover some other, possibly more important ground— the disappearance of Tyrone! Now, this phat fellow was said to have been lost into a vat of puddin', but the folks in our crime lab have turned up some interesting facts. Here they are— read 'em and weep, Guido!

1. it is impossible to drown in puddin'. as we all know, you drown in water, not in puddin'! if you could, wouldn't there be puddin' guards, or shows like "Puddin' Watch". awwwwww yeahhhhhhh
2. john rockwood's glasses rock our world! (this is a scientific fact)
3. it is impossible that tyrone could have escaped from the vat of puddin' by himself. now, this is just an educated guess, but our lab put 2 and 2 together and got 5. now we all know that tyrone is one phat dude, and we all know that it is pretty hard for enormously phat dudes to climb over big walls to get out of water. so we figure that the same is probably true for phat fellows! awwwwww yeahhhhhhh
4. we are pretty sure that even if tyrone did survive the whole puddin' thing and escaped, he couldn't have got very far! he did have a whole lot of puddin', so that would last an average person about a mnth. but tyrone is one phat dude, so it would probably last under three hours with tyrones drinking from puddin' and we also know that bein' a chat columnist for crdhdic.com to pay very well, so tyrone couldn't have had more than \$1.00 in his pocket! so we plotted his probable location on a big wall map, and we figure he couldn't have made it any farther than our fair city of akron. awwwwww yeahhhhhhh
5. we traced the subscription of all playboy magazines in the area, and found that tyrone's regular number of sixteen subscription turned up at one place— ink's barbershop. and we all know the dudes in there, so that's probably not anything out of the ordinary.
6. tyrone is one loyal dude. we don't think that anyone as phat as our man tyrone would be anywhere but here, at the crdhdic headquarters, so he a probaly dead or kidnapped and being tortured by iranian terrorists. not to be pessimistic or anything.

Well, it's time to leave you dudes for the week, but we want to ask all of you SIA deputies out there to do one thing— keep an eye out for phat dudes, and report em all to Joe, Pat or Brad.

# WHERE'S TYRONE ???

What up, mofas? I za still feelin' kinda down, but I hope alla you is A-OK. Y'see, my fav'rit cuz and everybody's fave cat wid da phat advice is still missing. However, I's been lookin' in on dis case, though nunnah you's been helpin' me. So here's the lowdown:

- The crime was perpetrated in Sharon, PA.
- An eyewitness claims to have seen Marco Barca, the Hairman, on the other side of da factory minutes before the crime occurred.
- I don't know what dis means, but I remember T sayin' to me once: "I could always run faster wid out my wing-tip shoes, but my shoes is gets da bitches."
- These was the only people in T's little black book that isn't his hoos: me, Guido, Marco Barca, Pat Hu, an' his otha cuz'n Jamal Rasheeki Kaliki Ali.

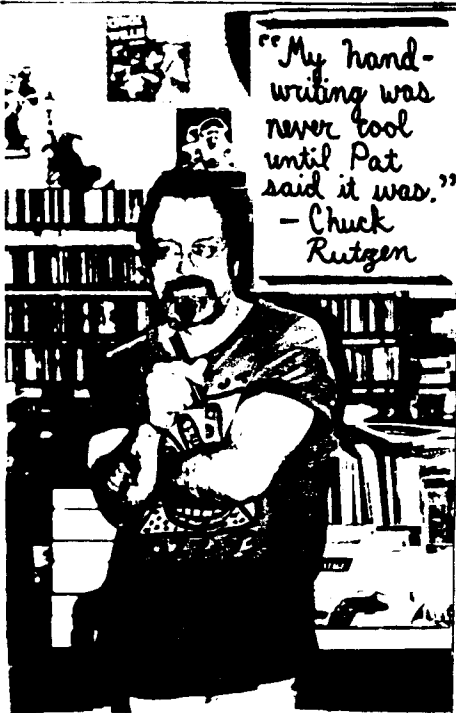

These things was just found at da scene:

- Guido's aluminum knuckles an' cool shades.
  - a bit of red hair, really red hair.
  - Taco Bell wrappers next to a John Deere lawnmower blade box
- I's been gettin' crazee thoughts, since Guido's knuckles's been found. I's been wonderin' why he ain't been investigatin' much. An' dat foo Flying Squirrel ain't done nothin' but look fer Guido.

What up wid all da true Tyrone fans? Now's the time, brothas. It's time to get funkee an' help us find our fave Big T.

**CHRIS RUTZEN'S DAD: God, Only Younger (part =)** In a time when good penmanship is sadly underappreciated, record store owner, Chuck Rutzen rises above the masses of chicken scratch to pave the way for the new generation's writing hands. This second installment of The C.R.D.H.F.C.'s exclusive interview with Mr. Rutzen uncovers his feelings toward the club, reveals his thoughts on the future of Chris Rutzen, and discovers the moment he realized that his handwriting was cool. by Joe n' Pat

Chris Rutzen's Dad strikes a pose as he wonders to himself, "Why the hell do I put up with Pat Hu?".

So, do you ever write in cursive? **NOT ON PURPOSE.**

What do you think of your son, Chris's handwriting, and the burden he must carry? Will his handwriting ever be cool?

**WHY THE HELL AM I TO JUDGE? OF COURSE IT'LL BE COOL. IT'S A DNA THING.**

Okay. Now, be honest and tell us your thoughts on the C.R.D.H.F.C. Is it a good thing? Is there a purpose?

**OF COURSE I THINK IT'S A GOOD IDEA. IT HAS NO PURPOSE (ASIDE FROM GIVING GUYS A PLACE TO SAFELY HANG) BUT I'VE ALWAYS LIKED THINGS WITH NO PURPOSE EXCEPT TO BE.**

Is the club dying? **I DON'T KNOW IF IT'S DYING, BUT I SUSPECT FOCUSING ON MY HANDWRITING IS PRETTY PLAYED OUT.**

What do your wife and friends think about this whole thing?

**THEY ALL LOVE THE CLUB, BUT OF COURSE, THEIR EMBARRASSMENT FACTOR IS NOWHERE NEAR MINE.**

Tell us about the first time you heard about the fan club. What did you do?

**AFTER I QUIT LAUGHING, I GOT UP FROM THE FLOOR + SAID "GOOD LUCK."**

Hon. heh. Neato. Uh... what's your favorite issue so far? **SWIMSUIT ISSUE OF COURSE.** In last year's Member of the Year competition, we made it clear that you should have won. Do you feel that you were robbed?

**I THOUGHT MY NUMBER WAS RETIRED AT THE BEGINNING OF THE SEASON.**

Has there been a progression of your handwriting as you've aged? When did it start to get REALLY cool? **MY HANDWRITING WAS NEVER COOL UNTIL PAT SAID IT WAS.**

Wow, what a profound statement.

Ok, lastly, do you have any words of wisdom to bestow upon your faithful followers? **NO.** 😊

3-Heck, I'd have to say Robin Ellsworth!

**Don Geronimo** Hi again, CRDHWFC members! I hope everyone enjoyed the Indians this fall. I hope some of you enjoy my column. I know one little puta, sa llama Phillipe Tadsen, does not. Why? Ph... why? You have no reasons for disliking the column. How does it not represent the initial purpose of the club? The club is all about us, the people of Chuck. Not just for Phil, but to anyone, what can I do to improve the column. Or should I close the door? Anyway, here are your "frickin' horoscopes."

**Aries (3/21-4/19)** If you desire a career in the arts or in business, now is the time to further your interests and concentrate on the future. Travel the distance to find inner peace.

**Taurus (4/20-5/20)** A new friend is a gift from the heavens. They are here to help you through a tough situation. Work harder in school to gain confidence. Try brushing your teeth w/ the opposite hand.

**Gemini (5/21-6/20)** Be careful w/ the law and its consequences. Life contains 3 L's - Learning, Losing, and Loving. Never forget them for a long and productive life.

**Cancer (6/21-7/22)** Observe life from a more positive point of view. Try and see the silver lining on each cloud or person. Take your friends out to eat and enjoy some interesting conversations. Your music should express you, make sure that it does.

**Leo (7/23-8/22)** Your relationship w/ a friend needs to be redefined. Let them know why you are friends. Here today, gone tomorrow. Help out around the house, give grandma/grandpa a call.

**Virgo (8/23-9/22)** A comical approach to everything is showing your weakness socially and mentally. Let people have no doubt when you are joking or being serious. Physical fitness will not help until you are prepared mentally.

**Libra (9/23-10/22)** Be careful of people taking advantage of you. A true friend would never do such a thing. Take care of your friends and in return you will be taken care of. Avoid chocolate this week.  
**Scorpio (10/23-11/21)** Be wise when money matters come up. Lending money this month might not be a good idea. Save your pennies to make dollars. Define yourself by being satisfied w/ your self image. Learning about another culture will enhance your general knowledge of life.

**Sagittarius (11/22-12/21)** Come to have fun in school. But at the same time, realize you are being given the gift of knowledge everyday. Value it for all its worth. You will find out it is priceless.

**Capricorn (12/22-1/19)** Music. What is it and what's it worth? Music is the spirit of our souls being released. Enjoy and treasure the music you hear every day. It will shed some light on your gloomy day. Read a new book.

**Aquarius (1/20-2/18)** Do you know what your values are? Maybe this is the missing piece of your puzzle. Having an older sibling is a good way to find out what is in your future. Meeting someone from another country is a good way to learn about a different way of life.

**Pisces (2/19-3/20)** Childhood comes before adulthood. Does everybody remember their childhood? Hardly. So why do we look to the future not the past? If it weren't for the future, there would be no future.

Hello, I hope I enlightened your day and gave you some knowledge. Yeah, so I just make these up. To my knowledge, I have no connections w/ the stars and universe. But these horoscopes are full of things I have learned through life. I recently purchased the double CD by the Smashing Pumpkins. It has 2 quotes that I especially like. "Love, its who you know." or "Goodnight, may your dreams be so happy and your head like w/ the wishes of a sandman and a night light be careful not to let the bedbugs sleep tight nestled in your covers." Pick whichever you like better. Until again, Vaya con dios. Con Amor,

Don Geronimo

# ENEMY OF THE MONTH: THE GUY ON JOE'S BUS

B.J. JONES: wimper. wimper.

"So you're gonna make me Enemy Of the Month.... (20 minutes later) You're really gonna make me Enemy of the Month?"

This blasphemous fiend viciously tore a Gazette from the hands of a needy member and proceeded to insult the newsletter after a cursory reading. He then handed the issue back but promptly took it away again. At that point I threatened, "Hey, I can make you Enemy Of the Month for that!" Fear overcame him. He has not bothered me since.

## Madame Athena!

Happy Halloween to all my fans. I am back with updated horoscopes for everyone. This month, we'll go by your favorite type of cheese:

**CHEESE**- Cheddar is better, right? So I think you will win the lottery. Your numbers for the Pick 3 lotto, recommend by the infamous Kevin Yauteta, are 6, 6, 6.

**AMERICAN**- You guys are so patriotic, you give me the chills. Join the army and go kill Saddam Hussein because we don't need another holocaust! Keep eating cheese and maybe your farts will kill him (or Otis).

**SWISS**- You have a lot of holes in your life, so I recommend fulfilling your needs. So what if you watch Nickelodeon, eat your pizza crust first, or suck at school. Concentrate on your good qualities, such as farting.

**MOZZARELLA**- Go to AFW and try a double-mozza burger, because it will improve your luck. Marry an Italian so you can eat pizza and mozzarella garlic bread 24-7. This, my friends, will bring you true happiness in life.

**DON'T LIKE CHEESE**- Well, my recommendation to all of the non-cheese eaters out there is to GET A LIFE; cheese is the best way to let it all out.

This is Madame Athena signing off and saying that Don Geronimo is a transvestite, Neo-Nazi, Satan-worshipping Butt-Dart champion, and he must be destroyed!!!

This horoscope is dedicated to Ben Vaccaro, the cheese fart master of the world!!

Buenos Tardes! Don Geronimo here sports fans. Well another great beginning to another school year. I hope everybody liked my new and more positive attitude. Although my readings are positive, there is a certain thorn in my side, Madame Athena. She is trying to tarnish my new name. Madame Athena I know who you are and you know who I am. You have tried to turn my followers against me. You will pay for their suffering. You are the worst astrologist I have ever heard of. Colors of clothing do not matter or class schedules, for that matter. I'm calling all my friends and followers to route this piece of trash out of our fine utopian club. We do not need such slander and blasphemy spreading like the plague through our club. You all deserve better. In conclusion, I think the statement from the Highlander 3, is in order. "There can be only one".

Your Spiritually Acute Fortune Reader,

Don Geronimo

Don Geronimo

Dear CRDHFC,

I have been a member for the length of the club. Through our first year things went well and were very exciting. All the characters were cool i.e. Tyrone, Guido, and Ota. Well Ota wasn't that cool. So what happened to all the hoop la? If I wanted to read a sorry excuse of a paper, I would read the Colonel. I like things the way they were and want them back. I will do anything to help the club progress through the year. Please don't think I am an unhappy member or looking at mutiny as a possibility. Good luck Mr. Way and Joe.

Sincerely,

I'm afraid to give you my name due to the number of friends I have on our pathetic Colonel staff.

p.s. I am Steve Randall's gay lover.  
pat if you know who I am don't tell Steve Randall

>Sigh= yes, things are a bit different this year for the CRDHFC, but all things must change. It's our duty to make that change equal progress. Mr.?, you show concern yet offer no ideas to help us out. By the way - I know who you are.
